

Compact and easy to use vacuum cleaners for everyday use

You will find it ideally suitable for daily indoor cleaning in offices, hotel rooms, small restaurants, retail outlets and light to medium duty applications.

DSU product family is made up of the DSU 10, DSU 12 and DSU 15. They have different tank capacities, an ergonomic design and they are easy to service.

As standard, these machines come complete with the following accessories: upholstery tool, crevice tool and round dusting brush and HEPA filter.

- Easy to use. Main switch which can be operated by foot or hand, cord wrap and hook function, accessory holder, tube holder and HEPA option
- Simple and user-friendly. High manoeuvrability making transport easy
- Great value for money. ECO switch (not available on the DSU10) which can save energy in different cleaning situations.
- High motor power on 12L version improving cleaning efficiency
- High quality product
